## The Shed has Landed

We now have a date for the delivery of our shed, it is June 6<sup>th</sup>. Very appropriate. We appreciate all the help and support that you have given so far, but now the real work can begin.

Well almost, but first there is the small matter of erecting the shed. The plan is to start work at 9.30 am on Saturday June 8<sup>th</sup>, and for this we are going to need people to turn up at Evenly Wood Gardens with some basic tools and lots of enthusiasm. So, if you are ready, willing and able please let us know soonest.

Once we have volunteers lined up, the plan is have a get together in a local venue a few days before the 6<sup>th</sup>, talk about who does what.

For those who would like to know what they are letting themselves in for, here are a couple of places you can go to find out.

You Tube. There are several videos under the heading of, "Dunster House Tutorials." I liked the one showing a husband-and-wife team building the same shed as we are getting, a Vanguard Insulated Log Cabin, 6 x 5 metre

Web. [www.dunsterhouse.co.uk](http://www.dunsterhouse.co.uk). To log in you will need the order number and the delivery address postcode. There, should you feel so inclined, you can download the full assembly instructions.

Order Number: SO377564

**Post Code:** NN13 5SL
