

Notice of overnight road closures, A43, Brackley BP roundabout to the Syresham junction

June 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. EKFB is working in partnership with HS2 Ltd to build the new high speed railway in your area. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In the middle of June, we will be carrying out maintenance of the verges along the A43. Some of our signage is becoming increasingly covered by foliage which has grown larger after winter.

To minimise the impact to road users, these works will be carried out under overnight road and lane closures. We will also be utilising these overnight closures to update road markings that are showing signs of wear.

We will continue to collaborate with National Highways and update local communities on the progression of our works.

When will these works take place?

The **A43 Northbound** towards Northampton, will be fully closed overnight, from the Syresham Junction to the Brackley BP roundabout, from 8pm Monday 17 June to 6am Tuesday 18 June. During this time, there will be a single lane closure on the A43 Southbound.

The **A43 Southbound** will be fully closed overnight towards Oxford, from the Syresham Junction to the Brackley BP roundabout, from 8pm Tuesday 18 June to 6am Wednesday 19 June. During this time, there will be a single lane closure on the A43 Northbound.

As a contingency, should our teams be unable to complete the above works due to circumstances outside of our control such as weather, works will be carried out on the following dates:

- A43 Northbound overnight closure – From 8pm Monday 24 June to 6am Tuesday 25 June.
- A43 Southbound overnight closure – From 8pm Tuesday 25 June.

Where will the works take place?

The map below, shows the section of the A43 that will have overnight road closures from the Brackley BP roundabout to the Syresham Junction. The diversion route is via the A421, A422 and A5. These closures have been communicated to blue light services.

In addition to this notice, the road closure information will also be communicated through traditional road signage as well as electronic signage. These signs will be located in strategic locations and placed in a safe location. We would remind all road users to plan their journeys, allow more time and follow the signed diversion routes.

For the safety of road users and our workforce there will also be speed restrictions on this section of road. Periodic overnight lane closures will continue along this section of the A43, northbound and southbound, allowing us to progress our works for the A43 Overbridge.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk
