Notice of daytime road closure, Radstone Road, Radstone

August 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In early September, BT Openreach will be carrying out some utility works along Radstone Road. As these activities are within our works area, we will be providing traffic management to accommodate the installation of new BT cables.

For reasons of safety and due to the narrow width of the road, these works will require a daytime off-peak road closure. We will reopen the road as soon as possible.

The road will not be closed over the weekend. Access will be maintained for cyclists and pedestrians only.

When will these works take place?

A section of Radstone Road will be closed, 9am to 3.30pm, with signed diversion in place on the following dates:

- Thursday 5 September
- Friday 6 September
- Monday 9 September
- Tuesday 10 September

These works may be subject to change due to circumstances outside of our control. We will update communities in advance.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
